## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of: Nowak et al.

Serial No. 09/936,469

Examiner: Lin, Tina M.

Filed: February 13, 2002

Group: 2874

RENEWED REQUEST FOR WITHDRAWAL  
AS ATTORNEYS OF RECORDCommissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The undersigned attorney and all associated attorneys and agents in the firm hereby renew their request for acceptance of their withdrawal as attorneys and agents of record.

A Request for Withdrawal was already submitted on September 13, 2002. A copy is attached together with a copy of a return receipt postcard with mailroom stamp showing receipt of the document on September 18, 2002. In the intervening time, the undersigned is advised that the correspondent named in the Request submitted September 13, 2002 has been replaced by a successor. In particular, other counsel has undertaken responsibility for the file and has filed an "Associate Power of Attorney (37 C.F.R. 1.34)" containing a new correspondence address. That paper is of record as of July 21, 2003 and a copy is attached. The paper is denominated an "associate" power, but seems to have been executed by an assignee or other party and not by anyone known by the undersigned to be an attorney of record. Perhaps it should be regarded as a new power of attorney containing an implied revocation of previous powers.

An official action was mailed to the undersigned on March 18, 2004 with a response due June 18, 2004, extendable for up to three additional months. It is requested that the term for response be restarted and that the official action be mailed to the address stated in the associate power filed July 21, 2003, namely:

Richard T. Laughlin  
Graham Curtin et al.  
4 Headquarters Pl.  
P.O. Box 1991  
Morristown, NJ 07962

A copy of this Renewed Request for Withdrawal is being sent to Richard T. Laughlin and also to Francis Gray, who was named in the original Request for Withdrawal.

This request applies to the undersigned and all members of the firm.

Certification: This paper and its attached exhibits are being submitted by Fax transmission on the date shown below, directed to Fax. No. 703-872-9306.

Official acknowledgement and acceptance of this withdrawal are requested.

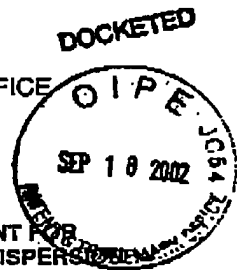

Respectfully submitted,

Dated: 3-24-04
